Re: Pandemic (COVID-19)**

Dear Valued Members

I am pleased to report that we are one step closer to convening our very first Virtual Annual General Meeting. I would like to take the opportunity to thank those members who were able to participate in the recently concluded Webinars. Your support given for the exercise, was indeed encouraging and overwhelming. I must also extend thanks to all the officers, staff and volunteers who made it a very historic and memorable occasion.

From the Webinars very positive feedback and suggestions were obtained which were all taken onboard and I can say with much assurance, that UWICU has successfully navigated the challenges of holding a Virtual Annual General Meeting. As such, in preparation for our first Virtual Annual General Meeting (VAGM) later this month and to ensure that all our members are properly prepared, we will be having a **Virtual Mock AGM** on *Wednesday 8th July, 2020, from 5:00 p.m. via Zoom.*

An invitation to register for the UWICU Mock Virtual AGM has already been circulated, please check your email accounts and register on time. I am looking forward to your participation as we move to the next level of virtual governance.

UWICU, staying healthy together and virtually flattening the curve.

Co-operatively yours,

Dorwin Manzano
President
